

HY-2x35W / 70 w

Foldable solar panel with charge controller

HIGH CONVERSION EFFICIENCY

70 Watt monocrystalline photovoltaic panels are from SUNPOWER - the highest conversion efficiency module provider in the world, which increases conversion efficiency up to 25%.

MULTI-PURPOSE

This foldable solar panel kit charges 12 Volts lithium and lead acid batteries, USB 5V output for phones/USB devices, the charge controller is removable for power bank or generator with regulator itself.

HIGHLY PORTABLE

Ultra lightweight of 96 oz, ultra compact of folding size 22x15.7x0.59 inch with 39.2x22x0.2 inch unfolding film surface.

OUTDOOR DURABILITY

Weather-resistant, water-resistant, industrial-strength PET polymer laminated; 12 month worry-free warranty.

BRING QUICK CHARGER ANYWHERE THERE IS SUN

Panels, 5 years material and workmanship warranty and 25 years power output warranty; Accessories, 1 year material & workmanship warranty.

Application Scope

12V/24V battery

Portable Solar Generator

Outdoor travel

RVS, Cars, Boats,
Green House Solar Systems.

Product Specification

Name	Folding Solar Charging System
Type (Module)	2x35W
Folded Size	22x15.7x0.59 in (560x400x15mm)
Unfold Size	39.2x22x0.2 in (995x560x4mm)
Weight	3.5 lb (1.6Kg)
Max-Power	70W
Max-Power Voltage	18V
Max-Power Current	3.8A
Open-Circuit Voltage	21V
Short-Circuit Current	4.1 A
